
Can our users access DocBanq from any location?

Posted by Mario Boutet - 2008/01/23 13:26

Yes - DocBanq can be accessed from anywhere with an Internet connection. This is important for:

workforce flexibility - users can work from the office, from clients' premises or from home.collaboration - users can share documents wherever they are.disaster recovery - businesses can quickly relocate in the event of disaster and continue working.
